In hard times  
You've been my friend.

When all others cease to be,  
I look around  
and You're there with me.

Whenever- I'm in trouble  
**Lord, You're there  
You're always there.**  
When I feel like- dying,  
**Lord, You care  
You always care.**  
Whenever I call you.  
Lord, You answer,  
**You answer my plea-**

that's why I love You,  
there's nobody else like You.**
