

We Travel Light.

Birgit Holm Petersen 08.05.2009

Chorus:

We travel light,
like the birds up in the sky
we travel light,
and we let our spirits fly
We travel light,
and we wont wait untill we die
to be with
you,
you,
you,
Jesus, you.

Verse:

Cause Jesus told us,
that He'd help us when we pray.
Yes, Jesus told us,
that He'd wash our sins away.
We have a future
and we walk on straight and tall
and all is Jesus.... (BREAK)
your doing, Lord.

Chorus: We travel light,...

Bridge:

By the way He lived His life
we know where to go.
The straight and narrow's broadend out
The Lord is leading, 'n wont let go.
