

YOU ARE THERE LORD,

Birgit Holm Petersen 16.05.2011 From Psalm 139

A

Up, down,
all the way round,
You are there, Lord.
Turn left, turn right,
I'm still in your sight.
You are there, Lord.
You hem me in,
behind and before
I'm in Your hand for e-ver more.
Oh, Uh,
You are there Lord.

B1

If I put on the wings of the dawn,
or -if -I -dive -deep in the sea.
You are there Lord,
You are there Lord,
with me.
You -knew -me -before -I was born.
Your -hands -moulded -me -out of clay,
and there Lord,
yes, there Lord,
I'll stay!

A Up, down,.....

B1

You know when I sit down, and I rise,
You -know -ev'ry -thought -from a-far.
You are there Lord,
You are there Lord,
my star.
You -hear -me -when-ever I pray,
You -guide -me -by -night -and by day,
with You Lord,
yes, You Lord
I'll stay!

Solo over A + B
